Welcome to the personal engineering portfolio website of Mathesh S. By accessing or using this website, you agree to be bound by these Terms and Conditions. If you do not agree with any part of these terms, please do not use the website.

1. Intellectual Property Rights

All content, design, and materials on this website are the exclusive intellectual property of Mathesh S., unless otherwise stated. This includes, but is not limited to:

- 3D CAD models, assemblies, and digital twin architectures.
- Computational Fluid Dynamics (CFD) and Finite Element Analysis (FEA) simulation reports and data.
- Source code, AI models, hardware schematics, and project documentation (including AYASK, Omni-Node, and Tarang).
- Text, graphics, logos, and UI/UX design.

You may not reproduce, distribute, modify, create derivative works of, publicly display, or commercially exploit any content from this website without explicit, prior written permission.

2. Educational and Informational Purposes Only

The engineering models, simulations, and data presented on this website are for portfolio demonstration, educational, and conceptual purposes only.

- **No Engineering Warranty:** The CAD designs, structural analyses, and predictive maintenance algorithms are not certified for real-world industrial, commercial, or safety-critical deployment without independent professional verification and testing.
- **Use at Your Own Risk:** Any reliance you place on the technical information, specifications, or code provided on this site is strictly at your own risk.

3. User Conduct

By using this website, you agree not to:

- Use the site or its contents for any unlawful purpose.
- Attempt to reverse-engineer, scrape, or extract data, 3D models, or source code from the website.
- Interfere with the security, performance, or functionality of the website (e.g., transmitting viruses, malware, or spam).

4. Third-Party Links and Services

This website contains links to third-party platforms and embeds external services to showcase work. This includes, but is not limited to, GitHub, LinkedIn, Sketchfab (for 3D model viewing), and YouTube.

- These third-party sites have their own Terms of Service and Privacy Policies

5. Disclaimer of Warranties

This website is provided on an "as-is" and "as-available" basis. No warranties are made, either express or implied, regarding the website's operation, accuracy, completeness, or reliability. Access to the site may be suspended temporarily and without notice in the case of system failure, maintenance, or repair.

> **Legal Disclaimer**
>
> To the fullest extent permitted by law, Mathesh S. disclaims all warranties, express or implied, including but not limited to implied warranties of merchantability and fitness for a particular purpose regarding the engineering data presented herein.

6. Limitation of Liability

To the fullest extent permitted by law, Mathesh S. shall not be held liable for any direct, indirect, incidental, consequential, or special damages arising out of or in any way connected with your access to, use of, or inability to use this website or its content.

7. Modifications to the Terms

These Terms and Conditions may be updated or modified at any time without prior notice. Any changes will be reflected by the "Effective Date" on this document. Continued use of the website following any modifications constitutes your acceptance of the revised terms.

8. Governing Law

These terms shall be governed by and construed in accordance with the laws of India. Any disputes arising under or in connection with these terms shall be subject to the exclusive jurisdiction of the courts located in Tamil Nadu.

9. Contact Information
