PRIVACY POLICY

ENTITY	EFFECTIVE DATE
Mathesh S. Portfolio	**October 9, 2026**
DOCUMENT VERSION	STATUS
1.0	**Active & Enforced**

Welcome to the personal engineering portfolio website of Mathesh S. I am committed to protecting your personal information and your right to privacy. This Privacy Policy explains what information may be collected when you visit this website and how that information is used.

1. Information Collection

This website serves primarily as a digital portfolio to showcase mechanical engineering, CAD/CFD design, and IIoT/Edge-AI projects. I do not actively collect personally identifiable information (PII) unless you voluntarily provide it.

- **Information you provide voluntarily:** If you choose to contact me via the provided email address (matheshs777@gmail.com) or social media links, I will collect your name, email address, and any content included in your message strictly for the purpose of responding to your inquiry.
- **Automatically collected information:** Like most standard websites, the hosting provider (Vercel) may automatically collect basic, non-personally identifiable usage data, including IP addresses, browser types, operating systems, and page views, to ensure site security and monitor performance.

2. How Information is Used

Any information collected is used solely for the following purposes:

- To respond to professional inquiries, collaboration requests, or job opportunities.
- To monitor website performance, diagnose technical issues, and improve the user experience.
- To maintain the security and integrity of the portfolio platform.

3. Cookies and Tracking Technologies

This website itself does not utilize proprietary tracking cookies for marketing or advertising. However, necessary cookies may be employed by the hosting service to maintain site functionality. You can instruct your browser to refuse all cookies or to indicate when a cookie is being sent.

4. Third-Party Services and Embedded Content

To fully demonstrate technical capabilities, this portfolio utilizes third-party embeds and links. These external services may collect data, use cookies, or monitor your interaction with their embedded content.

- **Sketchfab:** Used to display interactive 3D CAD models (e.g., 4-Cylinder Engine Assembly, Car Suspension).
- **External Links:** Links are provided to GitHub, LinkedIn, YouTube, and deployed web applications (e.g., Omni-Node Dashboard, AYASK).

I do not control the privacy practices of these third parties. I encourage you to review the privacy policies of Sketchfab, GitHub, Vercel, and LinkedIn before interacting with their services.

5. Data Security

I take reasonable precautions to protect any communication or data you share with me. However, please remember that no method of transmission over the internet or method of electronic storage is 100% secure. While I strive to use commercially acceptable means to protect your information, absolute security cannot be guaranteed.

6. Changes to This Privacy Policy

I may update this Privacy Policy from time to time to reflect changes in project scope, hosting infrastructure, or legal requirements. Any updates will be posted on this page with a revised "Effective Date."

7. Contact Information

If you have any questions, concerns, or requests regarding this Privacy Policy or how your data is handled, please contact me at:
